163 of us . . .

We, the 1987 Seniors, are a responsible class with a lot of expectations. We are the future scientists, athletes, doctors, and teachers of tomorrow. We strive to make good grades and to make each day as exciting as the first.

Our number is finally up. On graduation, the senior class will be leaving for the real world. We will be going to college, to the service, or to a job. We leave to the 180 juniors a chance to take our place as SENIORS.

Hey, what are you looking at?

Rough day Stacey?

WITH THIS RING I THEE WED.

Striving for tomorrow are the sophomores of today. Ambitious and eager they wait for success to saunter their way. Determined and strong-willed their goals and expectations soon will be fulfilled. Above the others some may shine but all are winners in the class of '89.

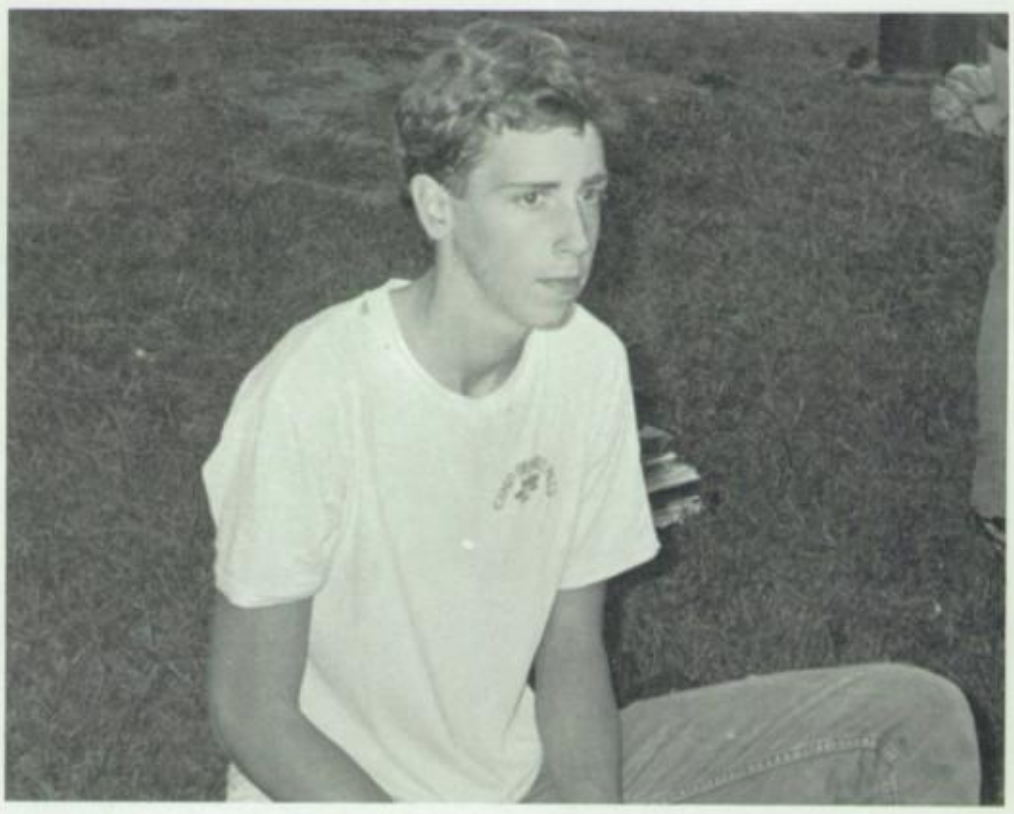
LEAVE US ALONE. WE ARE TRYING TO STUDY.

HOT DATE LAST NIGHT



SITTING DOWN ON THE JOB AGAIN, MASSIE?

Santa's helpers

Don't everybody raise their hands at once

For the freshmen, their 1st year in high school will always be a memorable experience. Their 1st day jitters and their last day feelings of relief are typical characteristics of freshmen. As newcomers to the high school, some freshmen may feel a little intimidated. However, after their 1st month or so, they began to relax and feel at ease. Their 1st year is just the beginning of that famous climb to the top: in 3 more years they will be SENIORS, the head of the school.

The get along gang

The student aides are of great service to our school. By running errands and delivering messages, they make work easier for the staff.

FRESHMAN OFFICERS
Row 1. M. Flippin, H. Drumheller, C. Thompson Row 2. T. Martin, W. Mitchelson

Class officers are an important part of the organization of our school. As representatives of their respective classes, they try to insure that other students' ideas are heard. They try to guide these ideas into effective policies. Besides voicing other students' viewpoints, class officers also sponsor various activities throughout the school year.

Three Interesting Aspects Of NCHS

1. ASSEMBLIES
2. STUDENTS
3. TEACHERS

TMR

TMR was started nearly 10 years ago at Fleetwood Elementary School. As the TMR students got older, their needs changed. The high school had better facilities to meet their needs; therefore, the program was moved up here about 5 years ago.

The program is a tremendous success. It helps the TMR students feel better about themselves. By attending high school with other students, TMR students have a feeling of belong and acceptance among their peers.

Ms. Mudry, the TMR instructor, has various activities planned for the 1986-87 school year. TMR students will learn the basic skills needed to perform daily activities such as cooking, sewing, and housekeeping. The students will also participate in the annual Special Olympics held at Wintergreen.

Spirit Week
(Sept. 29-Oct.3)
The 1986 Homecoming

Spirit week is part of the Homecoming festivities in which students participate in various activities, from getting dressed up, to decorating the halls, to showing spirit and having a ball.

The pep rally puts the wheels in motion for showing school spirit with lots of emotion, cheering for the football team with all of your might and hoping for a winning Homecoming.

The yell out was lots of fun and as usual, the seniors won. Winning did not matter; the object was to yell the team to a glorious victory.

Whatever the outcome, good or bad, we'll never forget all the fun we had. The football team's spirit was at its highest peak and we owe that to SPIRIT WEEK.

SPIRIT WEEK WINNERS!!

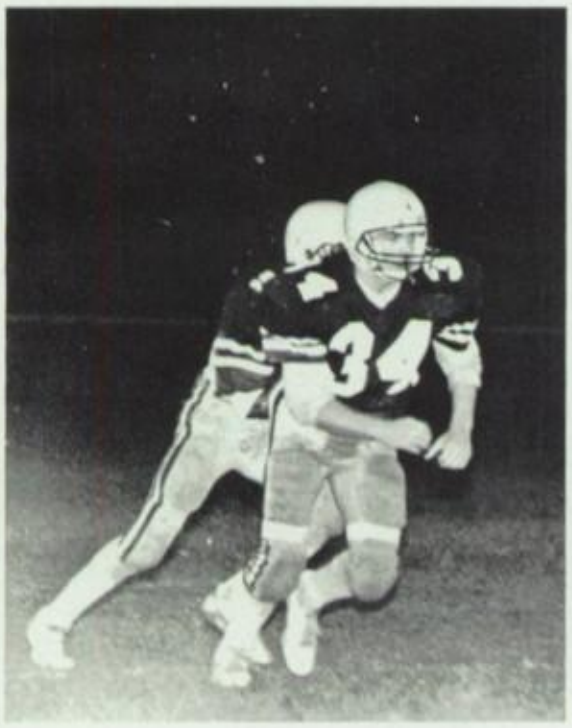
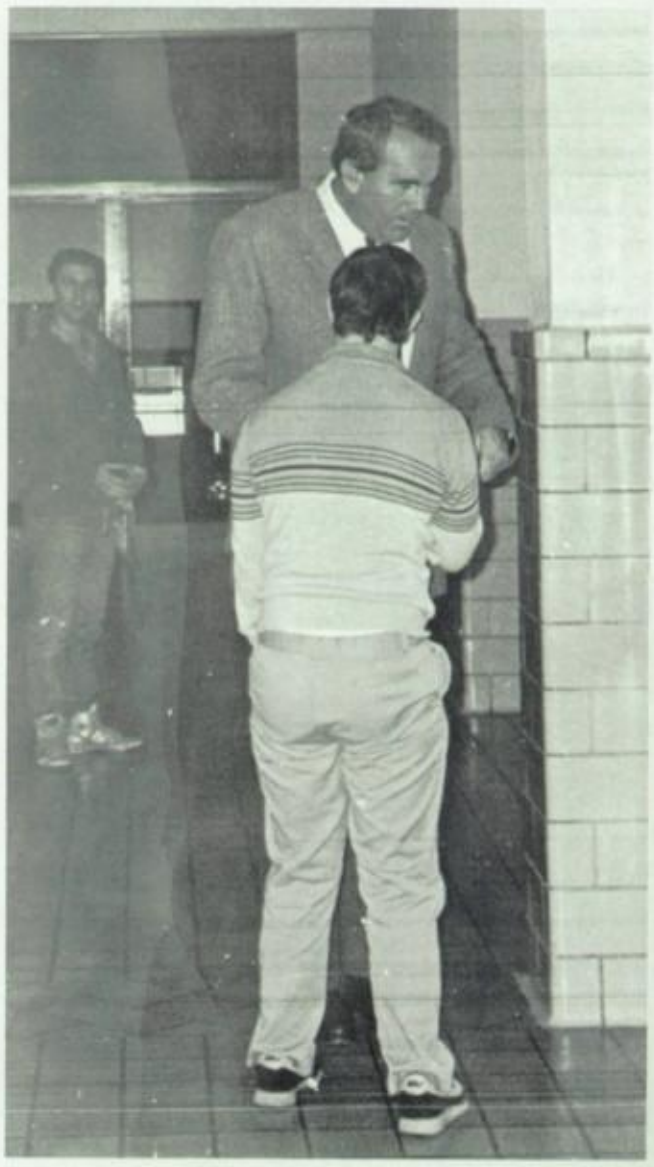
HOMECOMING

The score was not rememberable but the time we had was. The Homecoming Queen for 1986-1987 was Kim Morris. The senior court consisted of Kim Morris, Tracy Thompson, Stacy Falls. The junior court consisted of Janet Turner, and Dawn Morse. The Sophomore court was represented by Donna Fletcher and C'ta Mitchelson. The freshman court representatives were Crystal Allen and Tiffany Wallace.



Mr. Sprinkle, our new vice-principal here at NCHS is no stranger to the school itself. Between 1970-1979, Mr. Sprinkle taught U.S. History at NCHS and he also coached the boys varsity basketball team. Asked if he was glad to be back, Mr. Sprinkle responded, "It is good to see the faces of familiar teachers and it has been a pleasure meeting the newer teachers." Of course, Mr. Sprinkle misses the teachers whom he worked with at NJHS, but he said that he likes his new job as vice-principal of NCHS and that the job itself is somewhat a challenge.

Some may wonder why Mr. Sprinkle is so strict. In response to this question Mr. Sprinkle said, "I do not believe that I'm that strict, but the impression is of strictness." He also said that the community wanted the school to be stricter. Mr. Sprinkle's ultimate goal for the 1986-87 school year is to make the students learn as much as possible and to enjoy themselves at the same time.



Stringent attcndance, smoking policies adopted

By Judy Madison
Nelson County Times Staff Writer

The school board adopted a stringent attendance policy at its July 24 meeting.

Also adopted was a policy expressly prohibiting the use of tobacco products on school board property.

The attendance policy is designed to send a loud and clear message to parents — children should be in school barring illness or family emergency.

The policy divides absences into three categories. Excused absences, which enables a child to make up work for credit, will be given in the case of illness or death in the family. Approved absences must be arranged in advance with school principals. Principals are expected to consider "extenuating circumstances," but under the terms of the new policy are be more stringent than in the past. Students may make up work and receive credit for approved absences.

All other absence will be considered unexcused, and a student may make up work but will not be given credit for doing so.

The board passed the policy on a unanimous vote.

Allen Sprinkle, assistant high school principal and chairman of the committee who wrote the policy, said committee members urged the board adopt a strong policy to correct severe attendance problems throughout the division.

"We tried to come up with a policy that was fair but had a lot more strength than the one we have now," Sprinkle said. "We tried to express the opinions of the teachers and probably members of the community as well. What I've been hearing from teachers and the community is, "It's hard to teach children who just aren't there.'"

Director of Instruction Gary Helbert spoke in support of the policy.

"A practice has developed in this county, and I don't know how it got started, that parents write a note for their child to be dismissed early," Helbert said, adding it was a particular problem at the high school. "It's not unusual for a teacher to have only one-third of the children in the class to teach. It's not unusual to have 40 or 50 kids leaving before the end of the day.

"We have tried everything short of something similar to this, and I'm not sure this is strong enough," he said.

Division Superintendent John Owens said if the new policy does not ease the attendance problem, the school board may consider imposing a limit on the number of days a student may be absent from school and pass for the year. He said some divisions have an automatic fail policy; if a students misses the designated 30 or 40 days he automatically fails for the year.

The new tobacco policy simply prohibits student use of tobacco products on school board property, which includes the buildings and school grounds. Students are also prohibited for using tobacco products on school trips and other extra-curricular, school-related activities.

High school principal Dr. Richard Wilfong estimated about 100 to 150 students received parental permission last year to smoke in areas designated by the division.

After discussion the board decided on stringent punishments for violation of the policy. First offenders face a one day suspension, will be dismissed from school and not allowed to return without a parent conference. Second offenders will be suspended for three days and parents must hold another conference.

Third offenders will be suspended for 10 days and their names will be given to the Sheriff's Department. For all offenses, students will be given literature advising them of the health dangers of tobacco usage.

The board adopted the policy on a unanimous vote. It was prompted by a recent act of the Virginia General Assembly which makes it illegal for children under 16 to posess or use tobacco products.

The board also considered a tobacco policy for school personnel. If adopted, school personnel will be prohibited from using tobacco products other than in areas designated by school principals. They will also be prohibited from using tobacco products in front of students in any school-related activity.

Catherine Whitehead — 28 Years

Mrs. Catherine Whitehead, head of the Guidance Department here at NCHS, is retiring this year after twenty-eight years in the school system. Throughout the years, Mrs. Whitehead has seen numerous changes in the school system. She has seen Nelson County High School change from a totally white school to an integrated school. The high school has also changed from a general to a comprehensive high school.

Mrs. Whitehead says that people change with the times, but Nelson High School has always had a very nice student body which makes working here pleasant.

Mrs. Whitehead conferring with Dr. Wilfong.

Ninth grade students in a first year Spanish course. Starting with the class of 1988, students will be required to obtain 20 credits in order to graduate. Previously, the requirement was 18 credits.

The State of Virginia has mandated the following requirements for graduation from high school:

Regular (20 units)

Issued to students who pass all minimum competency tests and earn the necessary credits as follows: English 4, Social Studjes 3, Health & P. Ed. 2, Math 2, Science 2, one unit of math or science must be taken at the 11th or 12th grade level. A vocational program may be substituted for one math or science requirement if the student is a program completer. This requirement may be met by completing the sequence of courses needed for occupational preparation in one of the following programs: Agriculture, Business, Horticulture, Health Occupations, Food Services, Auto Mechanics, Building Trades or Cosmetology.

Advanced Studies (22 units)

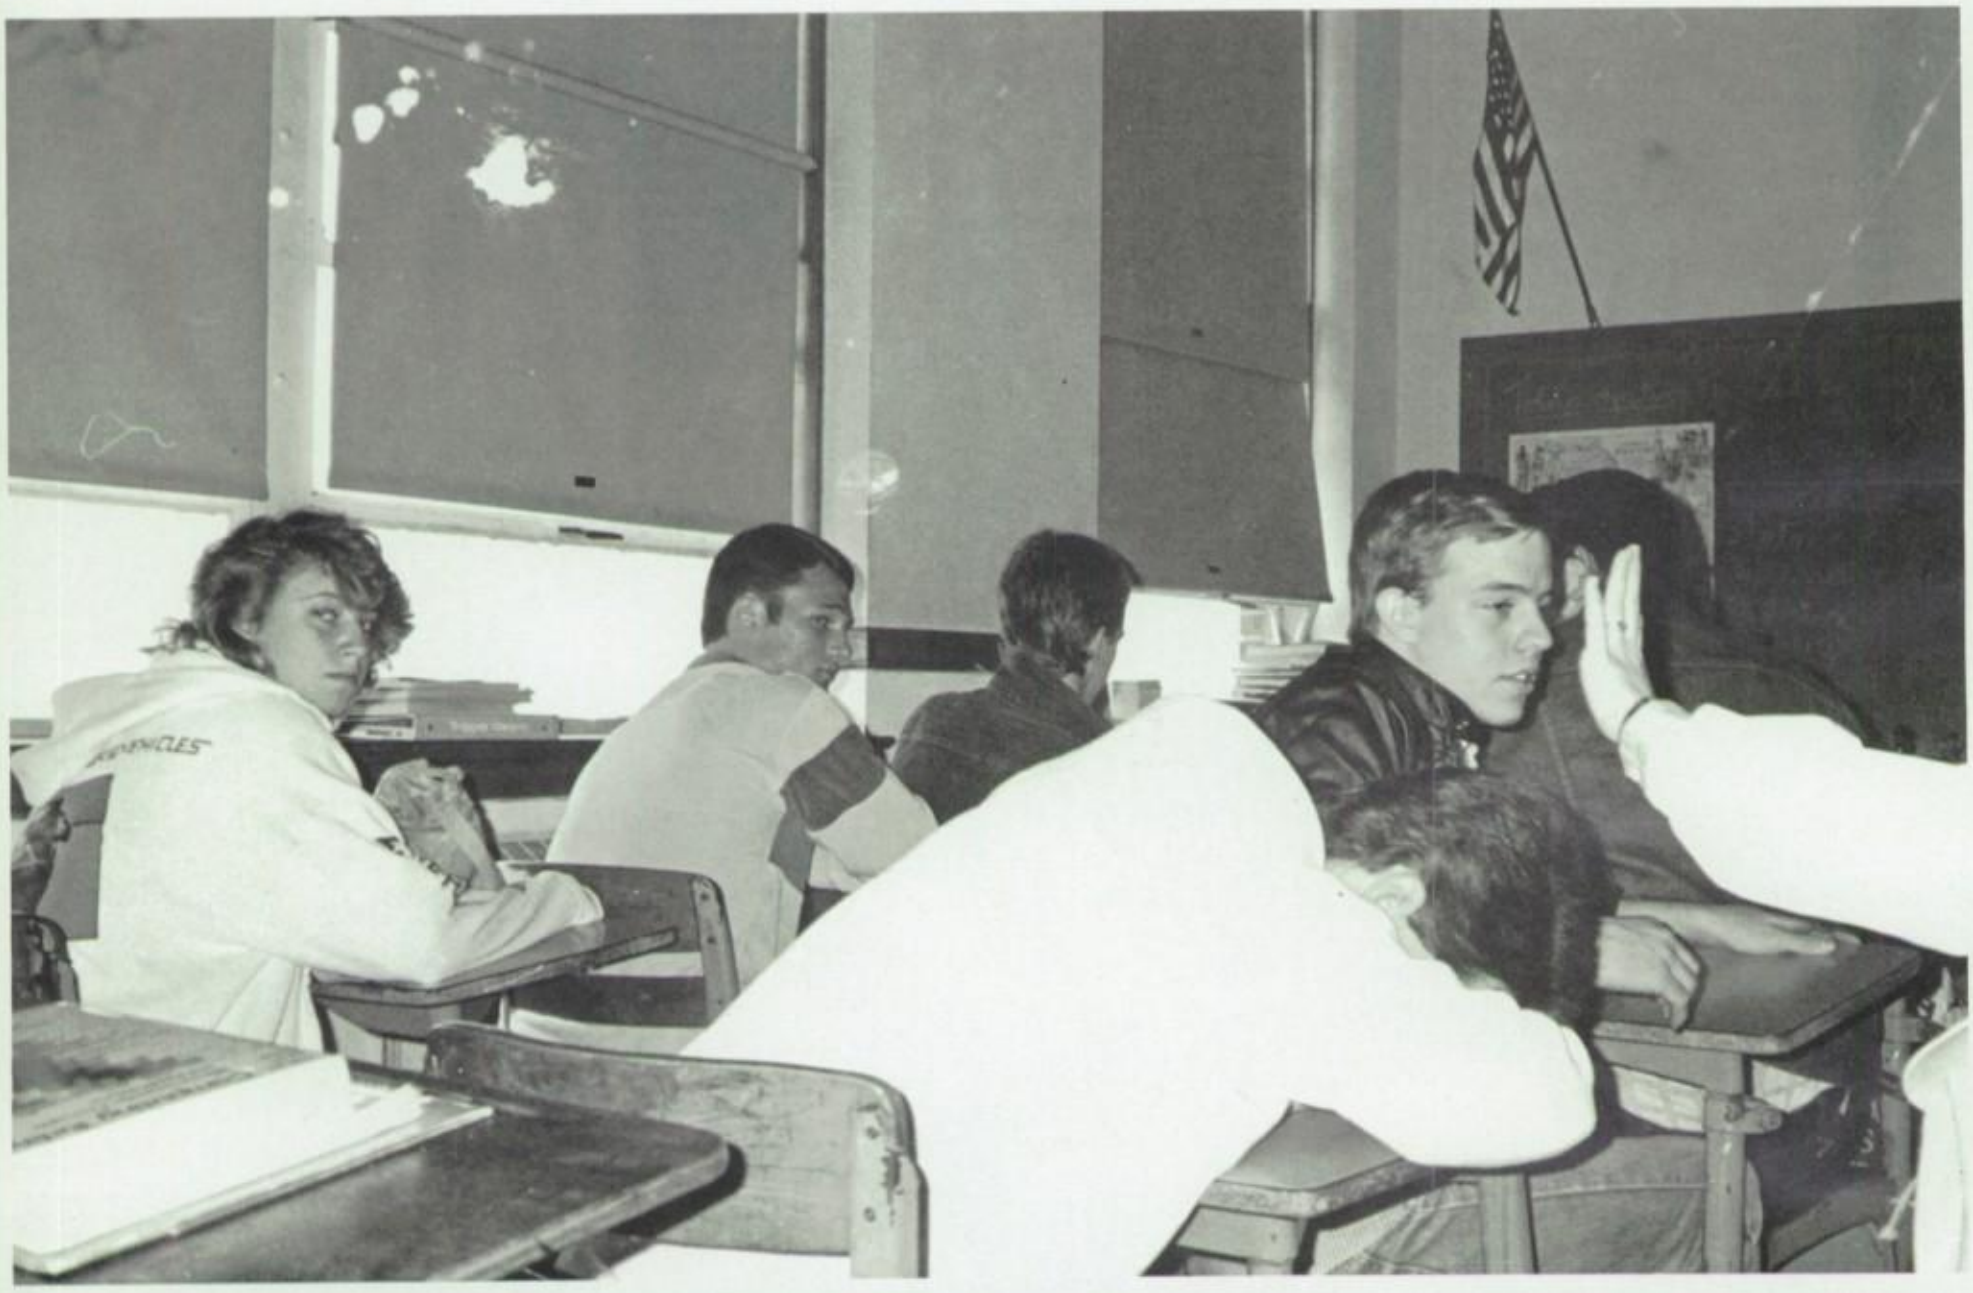
Issued to students who pass all minimum competency tests and earn the necessary credits as follows: English 4, Social Studies 3, Math 3, (Algebra I, Geometry, Algebra II) Science 3, (Earth Science 9, Life Science, Biology, Chemistry and/or Physics), Foreign Language — 3 years of one language or 2 years of 2 different foreign languages, Health and P. Ed. 2 and 4 electives.

5 New Teachers

For the 1986-87 school year there were many new faces belonging to teachers. There is an additional science teacher — Mrs. Martin. Spanish teachers are grateful for Mrs. Cooke. Math teachers have 2 other hands to count on — Mrs. Reid. To help correct your English we have Mrs. Casey. Mrs. Moulton, who began the year as a substitute for the art teacher, is ending the year in the library.

Mrs. Moulton, Mrs. Cooke

Mrs. Reid



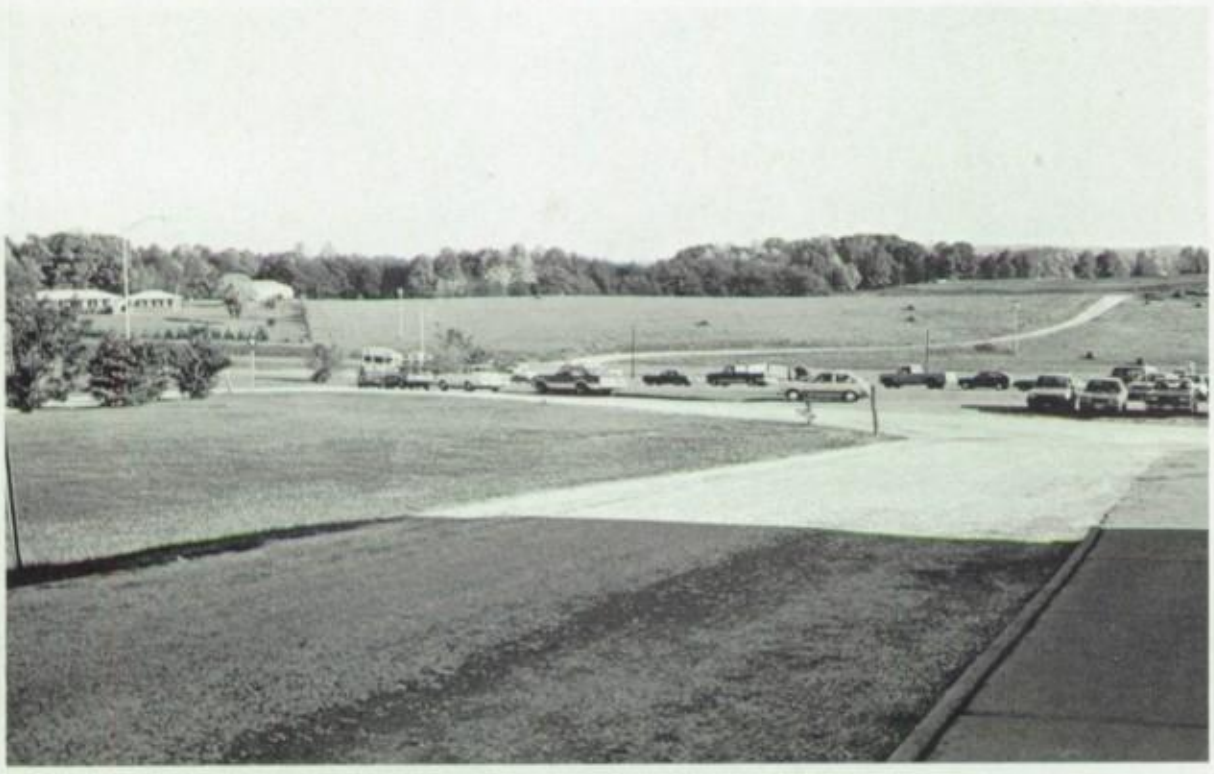
Mrs. Martin

Mrs. Cayce

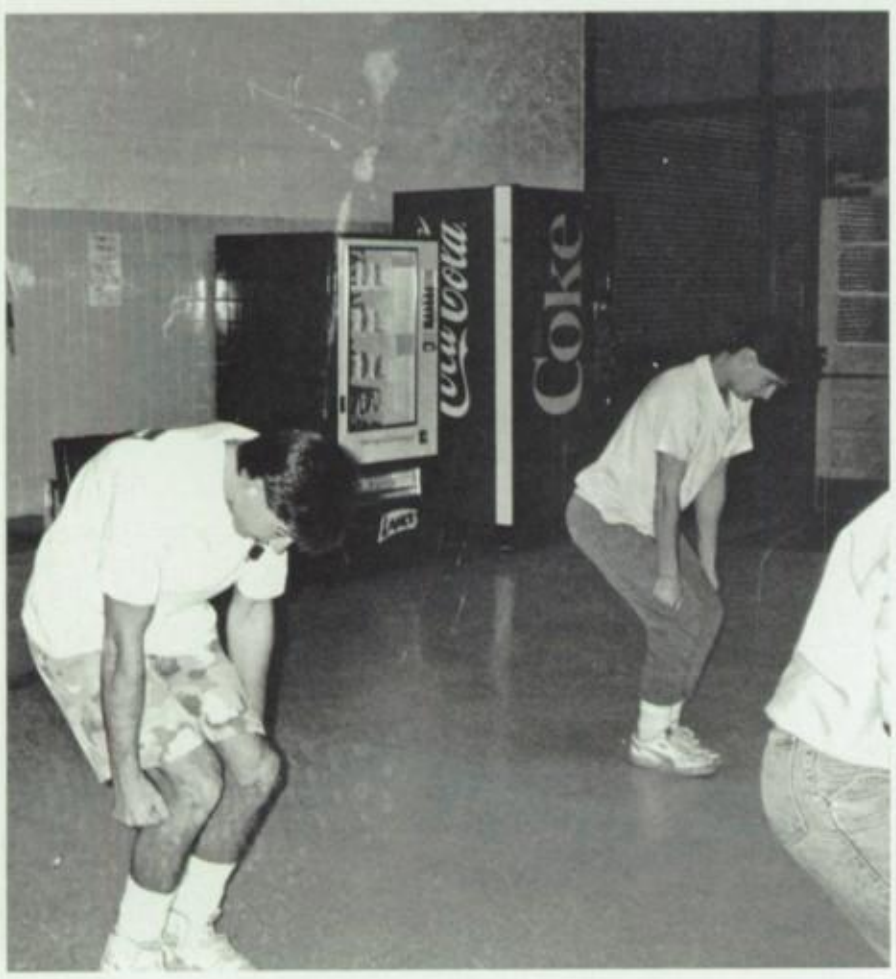
This 1986-87 school year has seen many changes. Many students object to these new rules. The change which had the greatest impact on the student body was the lessening of the activity periods. Although we technically still have activity periods in which there are club meetings, there are fewer alternative activities in which those students not belonging to clubs can attend. Other changes include having to wait for the buses to leave before student drivers can leave, not being able to smoke during school, no hats, and possible abolishment of the ever popular Senior Skip Day.

In the midst of all these seemingly negative changes, there is at least one positive one. During the 1986-87 school year, there were frequent pep rallies. This lifted not only the team's spirits, but also it provided students with relief from the monotony of classwork.

During the 1986-87 school year another significant change took place. Nelson County High School had its first male cheerleader, Mike Johnson.



Students waiting to leave.

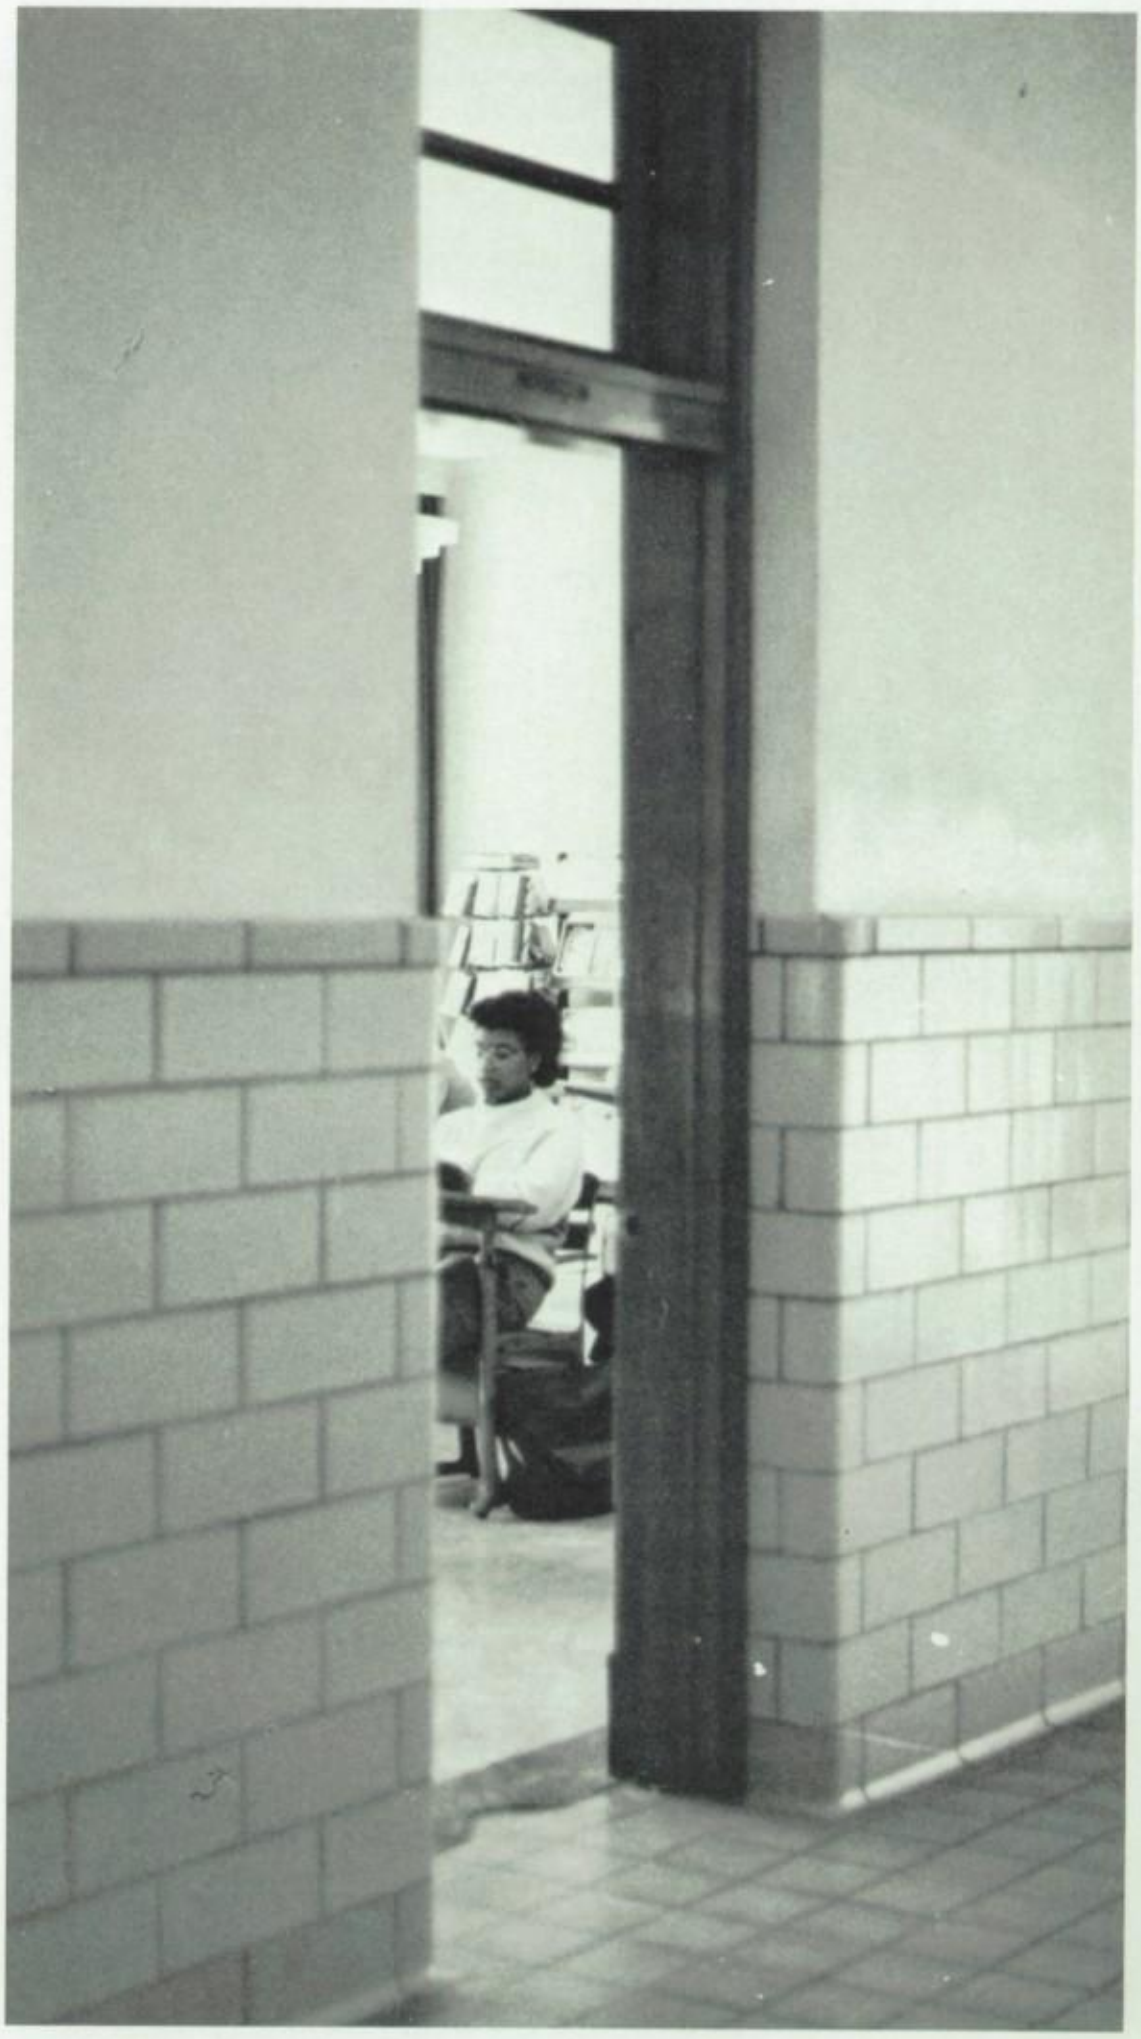


John Ed and Mike practicing with the squad before try-outs.

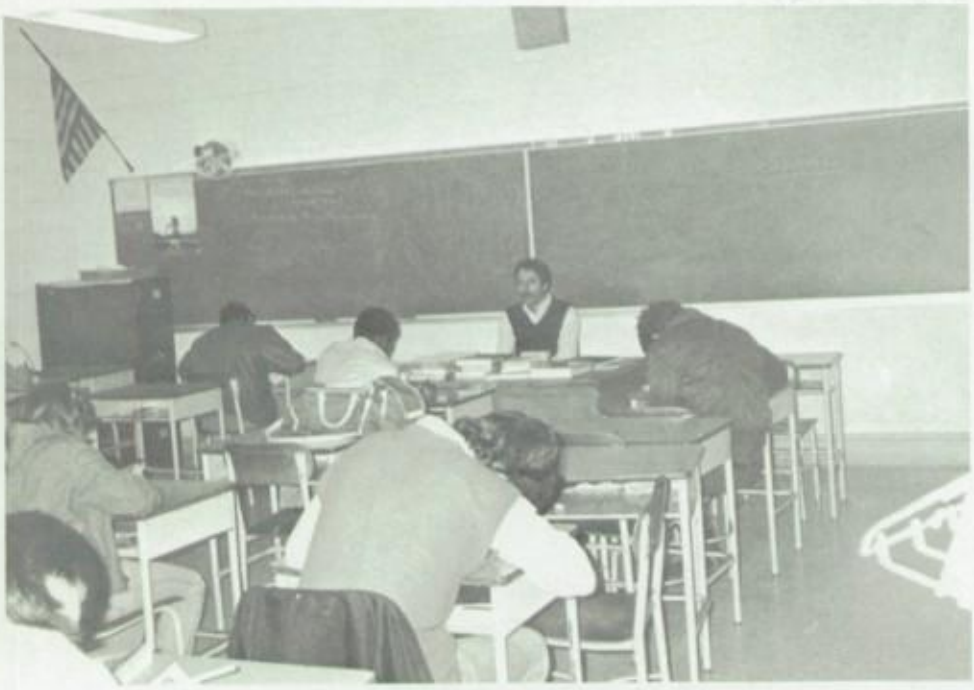
(page 62) Picnic tables in the defunct smoking pit.

Classes

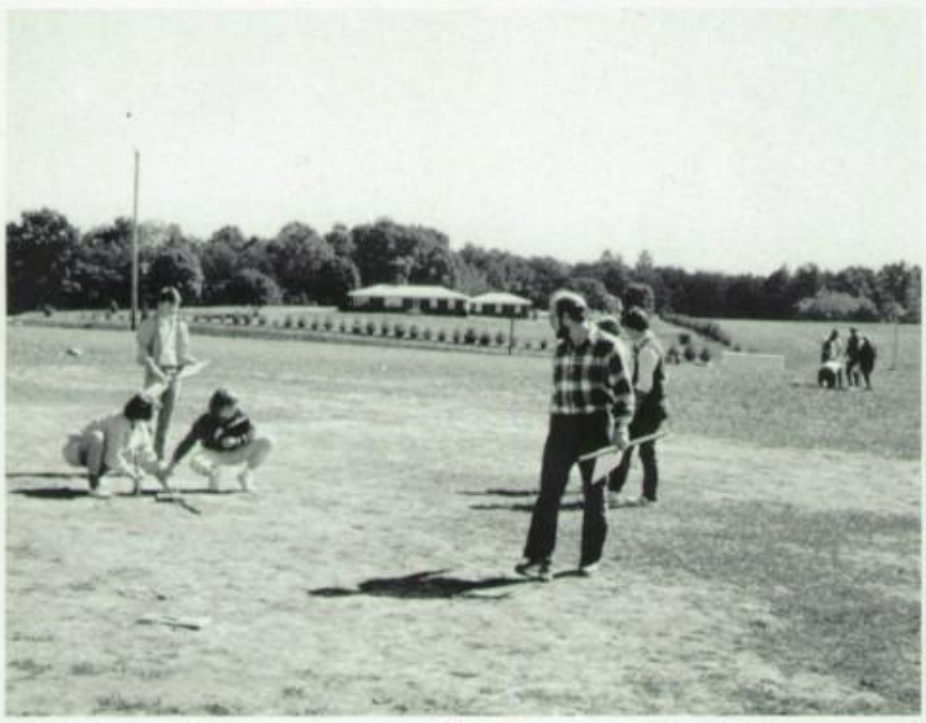
Students have the opportunity to learn and mature while in high school. Students are given this opportunity in their classes. It is up to each student to decide whether or not he/she wants to learn. Classes are the generating sources which will produce future doctors, lawyers, and teachers.

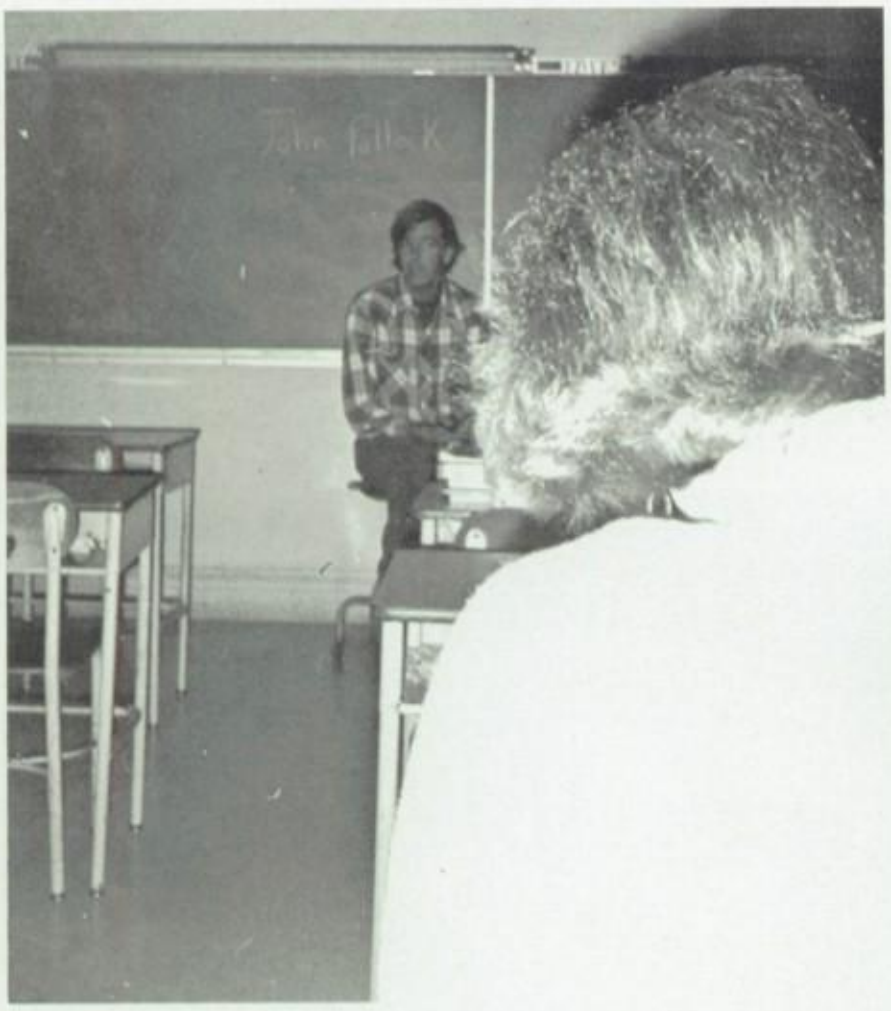


A peek in the door.



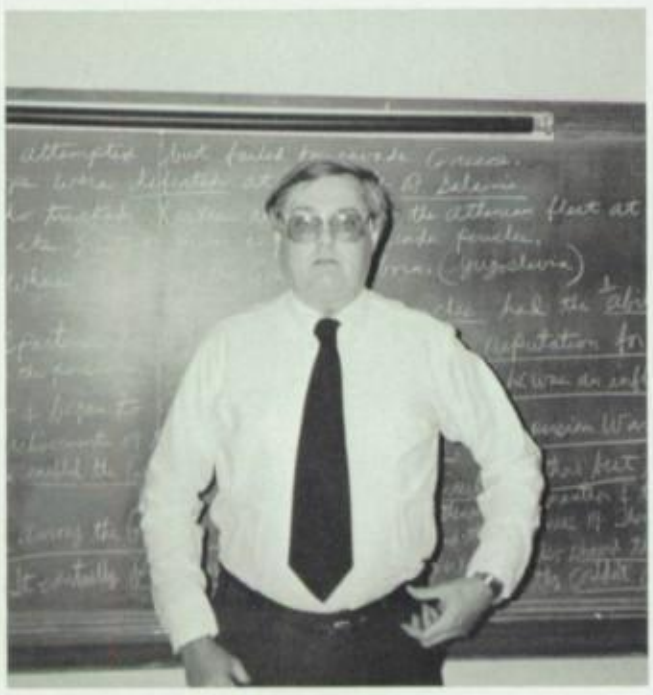
MIDDLE AMERICA





Familiar Faces

Mr. John Pollock, Nelson County: Mr. Barton



Mr. Rìcardo Chatelane, Argentina: Mr. Moxley

Mr. Davis: Mrs. Small, Mrs. Flechenstein

LUNCH

Lunch is everyone's favorite subject and what every student looks forward to. They never get upset because the line is long because it gives them a chance to socialize. Some students spend lunch time shooting basketball or just shooting the breeze. Everyone loves to participate in this subject and they all seem to get A's in it.

CocaCola

Hall socializing is the second most popular class with regular sessions throughout the school day and all A students.

Sports banquet honors athletes

By Merchant M. Myers
Nelson County Times Correspondent

LOVINGSTON-Proud parents, siblings, other relatives and loyal Governor followers flocked to Nelson County High School Tuesday night, Nov. 25, for the annual NCHS Fall Sports Banquet.

Following a roast beef dinner in the school cafeteria, athletic director and master of ceremonies, Charlie Bennett invited the guests into the auditorium for the awaited awards presentations.

Bennett opened the proceedings by explaining the new format designed by the school's awards committee to eliminate "too many trophies". The new format included the usual letters, pins but only one trophy per team. This trophy called, the "Governor's Award", would be presented to the player who was most positive to their team.

After calling this quarter "one of the most successful fall seasons ever", Bennett turned the podium over to the first presenter of the night.

Sixth year varsity ladies basketball Coach Cynthia Marks began the presentations by giving certificates to her entire team. She also presented a certificate to Mr. and Mrs. Brian Johnson, who she dubbed "Mr. and Mrs. Basketball" for attending every game. On the serious side, Marks gave her Best Rebounder award to C'ta Mitchelson. Stacy Meade and Priscilla Meredith took Best Defensive and Best Offensive Player honors respectively. Leslie Alexander claimed Marks' final honor - the Governor's Award.

The 11-7 Lady Governors in turn presented a plaque to Marks for her efforts this season.

Second to the podium was jayvee girls basketball coach Debbie Whitmore. Following presentations to all of her team members, Whitmore named Missy Thompson Most Improved and last year's Spark Plug award winner, Tammie Allen, walked away with the Governor's Award. After scoring only ten points together all of last season, the duo combined for 127 points this year.

The Seminole District's Co-Golf Coach of the Year, Bill Norris followed with his awards.

He praised his linksters for what he called "a pretty good season". The Governor golfers qualified for regional competition for the fifth time in the last seven years according to the coach.

The "driving forces" for this, said Norris, is outstanding seasons from Russell Reid and Rick Harvey. Harvey added to his All-District and All-Regional awards with the Most Improved medal while Reid picked up the Governor's Award. His other accomplishments included All-District honors, District Medalist (best golfer in the district) and a district tourney round of 73.

Nelson County's second Co-Coach of the Year, Jim Coyner, followed Norris with his cross country presentations for the District Champs.

"We did it on that rainy day in October," he said as he recognized his first, second, third and fourth year lettermen.

Adam Wilhite, the lone fourth year letterman, also received the Leadership Award. Tim Johnson and George Cheape received the Most Improved Runner and Coach's Award respectively, while Mr. Cross Country Coltrane Gardner took home the Governor's Award.

"Coltrane was undefeated in the district and invitationals," pointed out Coyner.

Davy Camden, coach of the 4-2-1 Lieutenant Governors football team then recognized his ballclub and assistants. After explaining that his squad's two defeats were by a total of only nine points, he recognized his co-captains: Cliff Carter, Joey Painter, Michael Purvis, Tony Paige and Jimmy Wood.

The Governor's Award for jayvee football went to Gary Vest. Camden stated although the decision was tough, Vest won out.

The varsity football mentor followed Coach Camden.

Coach Bill League began with a light hearted joke on himself and assistant coach Tim Crawford. After the laugher subsided and he introduced his coaching staff, League said , "I am very pleased with the season we had".

He began his presentations by recognizing his super sophomores.

"These guys helped turn us from a loser to a winner in their first year," he said. "I hope they continue to play this well for the next two years."

He called attention to offensive and defensive lineman Jerry Perry; fullback and linebacker Jeremy Hill; linebacker Kevin "The Enforcer" Ross and Billy Wells. Wells' versatility was commended as League spoke of all the positions he played.

" He was 1,000 yard rusher, kickoff returner, punt returner defensive back and quarterback, and he threw for more TD's than he ran for."

Senior QB Mike Martin, who also ran for more TD's than he threw for, was also praised as was the injured defensive star Paul Drumheller.

Receiving awards were center Kevin Knight, lineman Walter Miles receiver punter and defensive back Timmy Martin, lineman Danny Campbell and senior co-captains Sam Saunders and Bobby Manson.

"Every good team has good leaders and from the day they were elected these guys were," said League. "Sam is one of those players you can't replace and Bobby just never came off of the field unless he wanted a drink of water. We'd give him a drink of water real quick and send him back out there. He played offense, defense and special teams."

After recognizing all of his seniors, Coach League presented the Governor's Award to who he called "probably the hardest worker during the off season".

"This guy works hard on and off of the field and his attitude is just great," said League. Our littliest and strongest player - senior Keith Meade."

Karen Mooney recognized her cheerleading squad to end the evening's ceremonies.

With four varsity teams having advanced to post-season play this fall Coach League summarized the night best saying, "It's been an enjoyable season and we hope to come back next year with an even better one."

HOME
VISITOR

GOLF TEAM

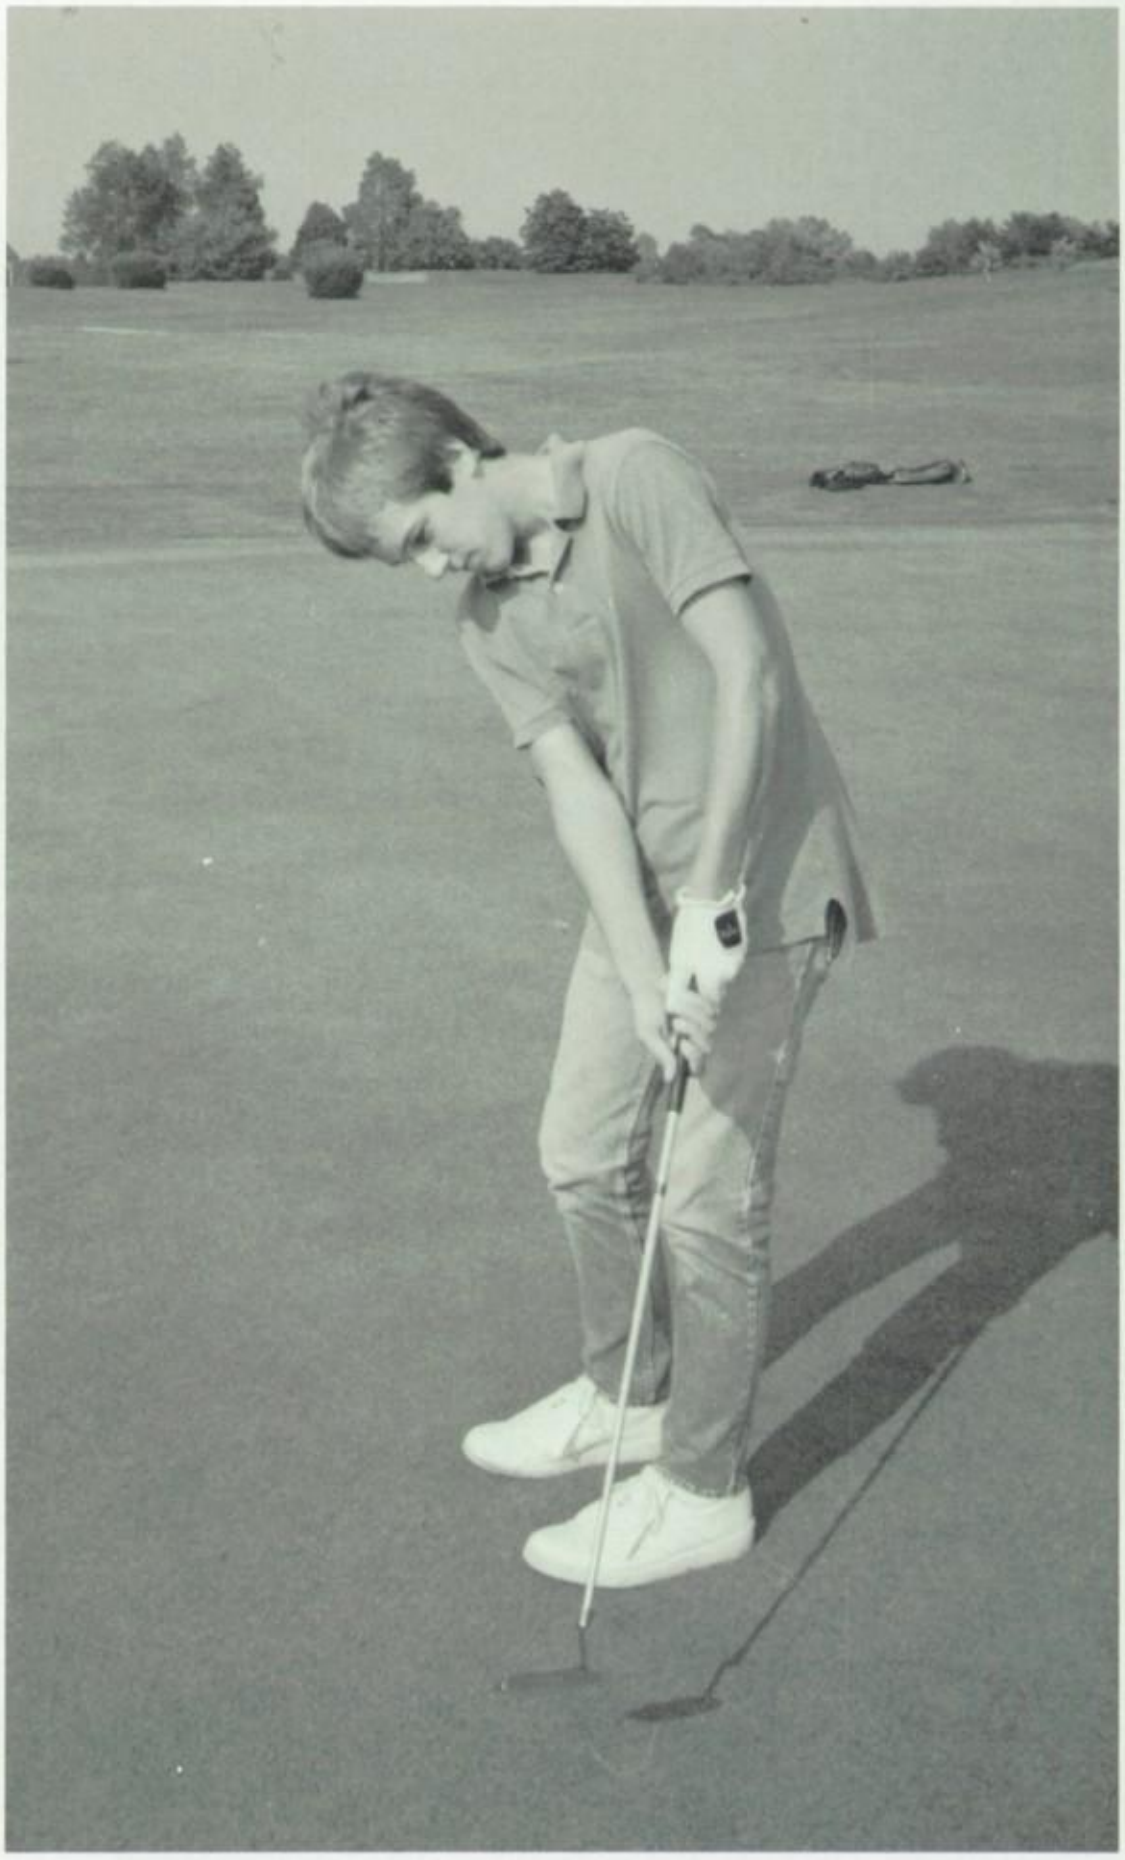
The golf team's dual meet record was 9-4. It was 4th out of 11 teams in the 5th annual Nelson-Wintergreen Invitational. It was 16th out of 29 teams in the Quantico Invitational. They were runner up in the Seminole District Tournament held at Winton C.C. They made it to the Region III Tournament for the 5th time in the last seven years. 6th in the Regional Tournament held at Olde Mill Golf Club at Groundhog Mountain in Carroll Co., Virginia.

Individual Accomplishment:

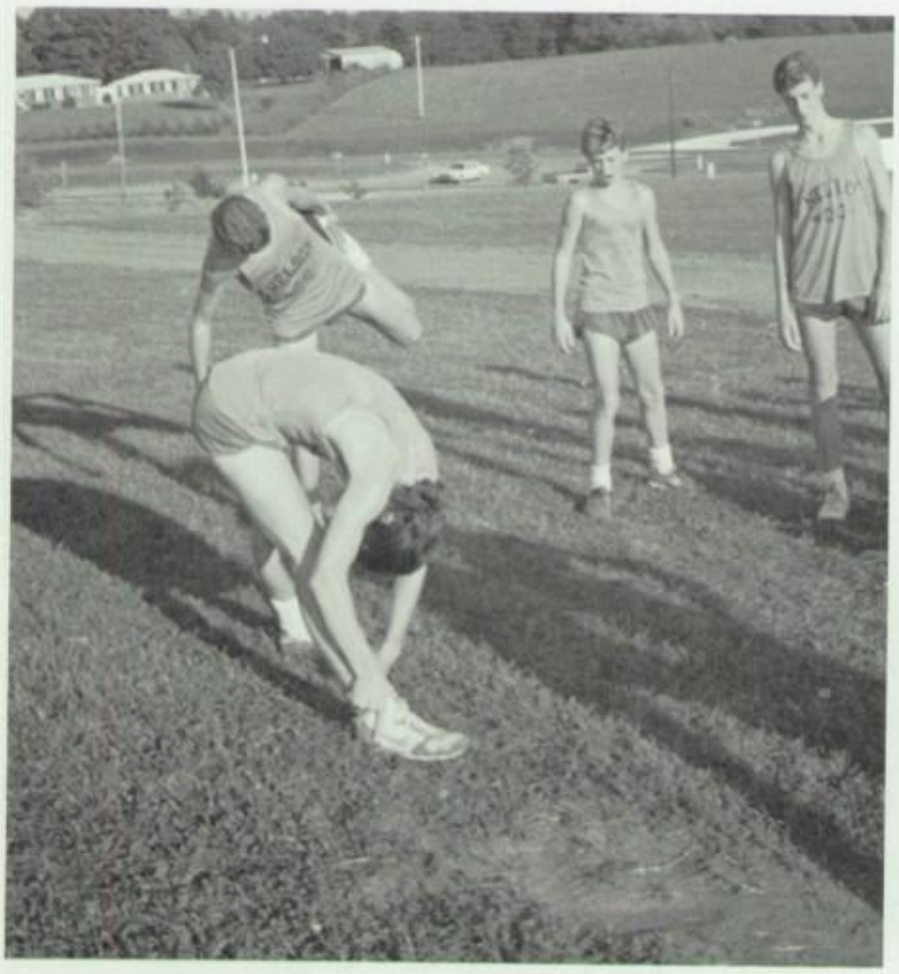
Russell Reid was Medalist at the Nelson-Wintergreen Invitational with a 76 and won the Seminole District Medalist Award with a 73.

Rick Harvey made the All-Seminole District Team and the All-Region III Team, advancing on to the State Group AA Tournament at Wytheville Golf Club in Wytheville, VA.

Coach Norris was voted Coach of the Year (tie vote) by district coaches.



Row 1: T. Campbell, R. Quick, J. Bivens, J. Pollock, T. Thompson, Coach Norris. Row 2: K. Small, R. Reid, R. Harvey, C. Floyd



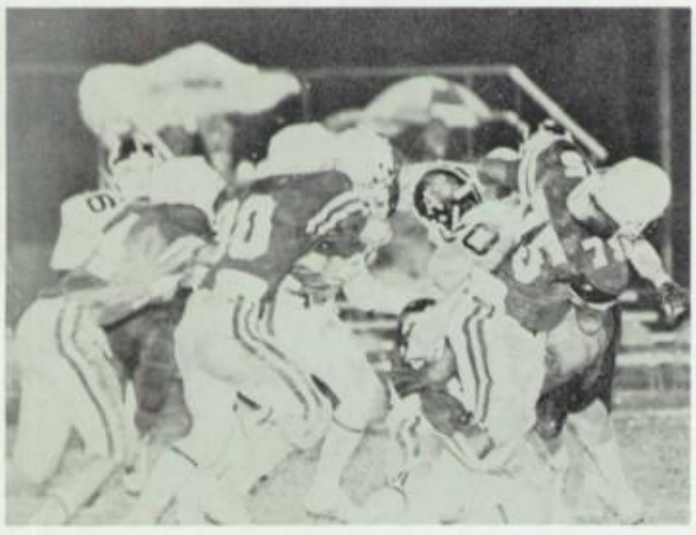
CROSS-COUNTRY

Row 1: L. Saunders, C. Gardener, B. Umbarger, A. Whilhite, R. Ragland, H. Wilbur, Sponsor — Mr. Coyner — Coach of the Year. Row 2: J. White, S. Blevins, T. Johnson, A. Shivo, A. Paige, M. Flippen, D. Harris, G. Cheape

Football

The 1986-87 Governors football team had a very successful year. Through the first four games and the final four contests of the regular season, the Governors sported a 5-2-1 record. Coach League, the seventh year head football coach, attributed his second winning season record to preparation.

Under the leadership of co-captains Sam Saunders and Bobby Manson, the team practiced hard and approached every game with a positive attitude. All of the hard work was worth it, for the team made it to the first round of the play-offs against Laurel Park. Although the team did not walk away with a win, they were glad that they had an opportunity to make it to the play-offs.



Row 1 Coach League, S. Brown, R. Loving, D. Johnson, A. Kidd, S. Massie, R. Meade Row 2 J. Kidd, D. Johnson, B. Morris, S. Campbell, J. Hill, K. Knight, C. Harvey. Row 3 M. Sprouse, W. Miles, J. Perry, J. Hill, B. Wells, K. Ross, J. Snyder, C. Martin Row 4 M. Murphy, R. Turpin, M. Martin, D. Campbell, P. Drumheller, S. Saunders, B. Manson, K. Mooney, K. Meade, C. Truesdale.

This year's J.V. Football team worked hard and had a lot of spirit. The guys were bigger, faster and more disciplined. The players showed lots of emotion and concentration on their positions. The varsity team will be receiving most of the J.V. players.

INDIVIDUAL ACCOMPLISHMENTS:

Gary Vest received the Governor's Award.

Row 1: J. Painter, C. Carter, M. Purvis, J. Wood, M. Paige Row 2: P. Cook, M. McGovern, R. Wheeler, C. Giles, G. Vest, D. Briggs, C. Revely, Row 3: J. Anderson, E. Stratton, T. McGarry, A. Turner, S. GIRL'S VARSITY VOLLEYBALL

For the first time in Nelson County High School's history, the Governor's Volleyball team won a match in the Seminole District Volleyball Tournament, triumphing over the previously undefeated Altavista Colonels 14-16, 15-13, 15-10, in the semi-finals.

The Governors finished in second place with a 5-5 record. A season finale that was totally unexpected by Nelson Head Coach Vicki Crawford. The players are said to have been very dedicated to their work; it showed in their spirit.

This year's J.V. Volleyball team had a difficult season because of the exams and snow days. They played their games in a very rushed schedule. Because of late practices some students couldn't stay after school. The players did improve their skills and they did win their last game.

VARSITY VOLLEYBALL

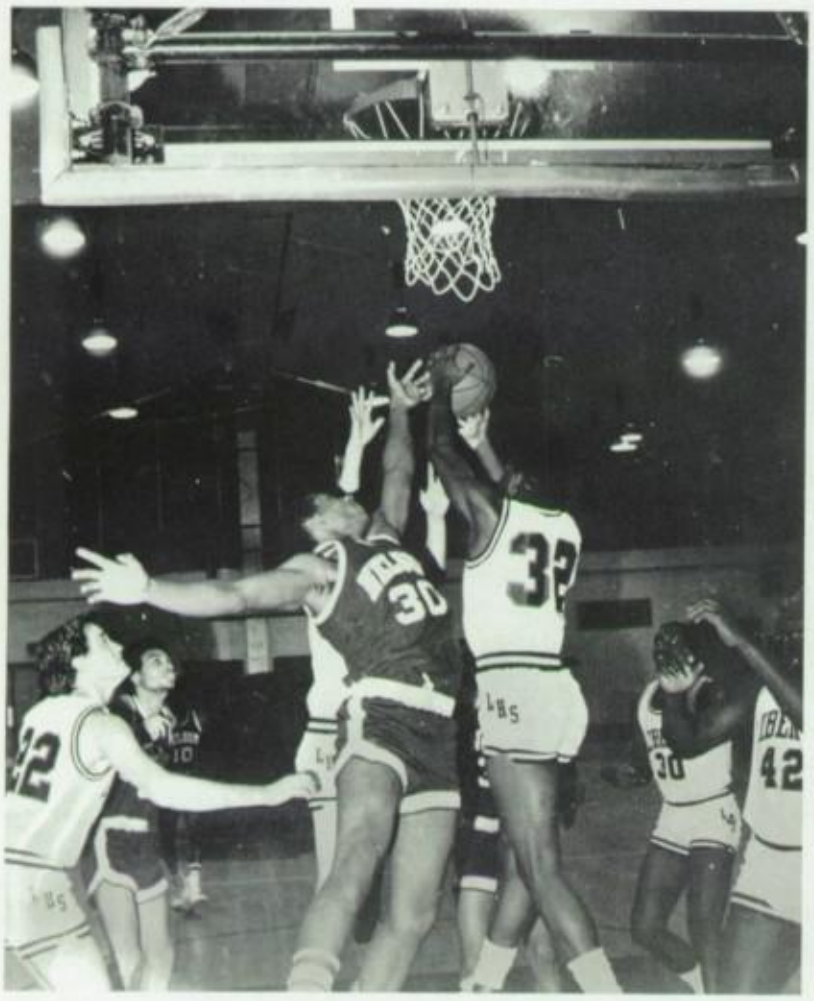
J.V. VOLLEYBALL
From left to right: S. Colgin, T. Wade; G. Brown, P. Brent; B. Hill; N. Terry

VARSITY BOY'S BASKETBALL

The boy's varsity basketball team was mainly dominated by juniors. The team showed a lot of spirit and pride. They were unable to get their momentum going and under the circumstances, the weather and the rush to play all their games may have affected their wins. We regret to say that the record was 3-12 but we are glad that the team had fun representing the school.



BOYS VARSITY BASKETBALL

BOY'S J.V. BASKETBALL

The Boy's J.V. Basketball team was young and full of zest. The members put a lot of the time into their practices and spirit in their 1986-1987 season. The team was dominated with a lot of young blood; which we know that Mr. Meeks and Mr. Garwood will have fun in making the 1987-1988 team stronger.

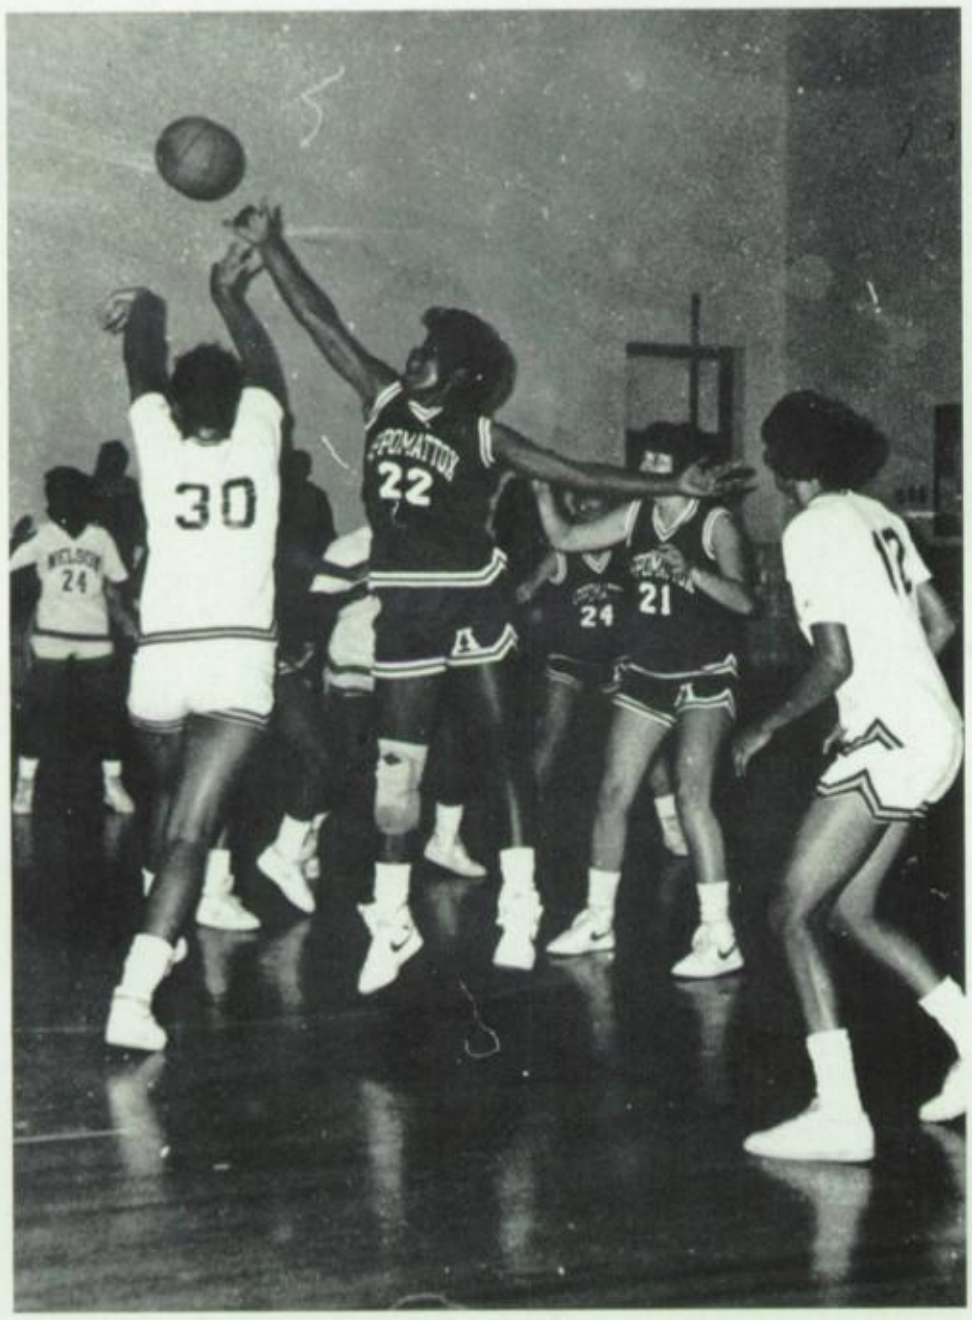
11-7

The 86-87 Girls Basketball Team was very successful. They started the season with a lot of spirit and spunk. They worked hard and long to become a strong team. They put forth a lot of effort to get their 11-7 record. They journeyed into the tournament to look for a win. They were defeated on the court but not in their hearts. We would like to wish the 87-88 team a lot of luck and to the departing "seniors" success.

Row 1: L. Alexander, P. Meredith, D. Fitch, P. Allen, P. Irving. Row 2: C. Mitchelson, M. Kemp, T. Thompson, S. Meade, S. Johnson



GIRLS J.V. BASKETBALL

The girls basketball team was young but very aggressive. The girls had a lot of spirit and worked hard to become a strong team. Even though they lost some of their games; they never let that affect them. We would like to wish them a lot of success and we know that they will succeed in their 87-88 basketball year.

CHEERLEADERS

The Cheerleaders' year was quite eventful. There were some high points and low points. The highest point was the addition of a male cheerleader, Mike Johnson. Unfortuantely we only had the one but we hope next year to have a better turn out. The lowest point came when many of the new stunts we had worked out had to be taken out of our repertoire. The new VHSL rule limits cheerleading stunts to 2 and a half people high but at our school we have been asked to limit them to two people high. Also the interpretation of what constitutes 2 people high by the administration is lower than the interpretation by the International Cheerleading Federation. The rule is for the safety of the cheerleaders.

Art/Debate/Agape Literary Magazine

The Art Club began the year with individual projects. All members were given canvas boards to paint upon. In addition to individual projects, members have been working on large panel paintings of Nelson County that will be displayed in the cafeteria. The Art Club's valentine bulletin board was a hit with the student body.

In the Spring, the Art Club plans to have a guest artist and have a field trip to art studios in Charlottesville.

The Debate Team had a very successful year. They participated in various invitationals throughout the year. Coached by Mrs. Rothgeb and Ms. Nunnery, members of the team received several awards. Lee Rothgeb got third place at the UVA Invitational and second place at the Turner Ashby Invitational. Kevin Mooney placed third at the James Wood Invitational. Tonya Watkins placed third at the George Mason Invitational.

Row 1: C. Flippin, M. Flippin, D. Nicks. Row 2: T. Vaughan, B. Kramar, H. Drumheller, M. Fitch, S. Revely. Row 3: N. Cox, K. Ponton, C. Rawls, K. Napier, D. Duval, M. Lee, C. Wright.

The Literary Magazine is a publication of the creative works of students. The magazine consists of various poems, short stories, and artwork which are submitted by talented students. Even though the Literary Magazine is not published until the spring, much time and work is put forward throughout the school year by the energetic members.

Newspaper/Yearbook

Combined effort to refurbish the darkroom by Newspaper/Yearbook. Blevins on ladder, Saunders, Morris, Thompson, Spencer with rollers. Maintenance staff furnished protected wiring, new door, and ventilation system.

Newspaper's tremendous response with "Have a Heart Tree", which provided donated items for Christmas for children in the community.

Row 1: K. Spencer, L. Saunders. Row 2: K. Morris, S. Thompson, M. Allen. Row 3: S. Colligan, T. Pippin, C. Harvey, L. Rothgeb, G. Brown. Row 4: K. Floyd, L. Harvey, Mrs. Crews

Although small in size, this year's annual staff worked hard in preparing this year's yearbook. With only one returning staff member, the sponsors, Mrs. Delk and Mrs. Giles, worked with the newcomers and showed them how to produce a successful yearbook.

Row 1: Mrs. Delk, L. Harvey, T. Wells, T. Thompson, L. Saunders, T. Pippin. Row 2: K. Reynolds, K. Spencer, S. Thompson, K. Morris, D. Londeree, Mrs. Giles

The Student Council Association has been continually active this year. They strived to gain more participation and ideas from the student body. A few of their greater accomplishments was to get male cheerleaders, to help start a SADD chapter, to hold a spirit week for basketball, to get picnic tables outside, and to successfully work with the administration to get activity period back.

The SCA has also worked closely with many school organizations. With cooperation from the Art club they decided a "Nelson Governor" mural would be appropriate to paint on the cafeteria walls in attempt to add some color to the lunch room. The cheerleaders were grateful for the help and support they received from the SCA to promote school spirit. Overall, this has been an extremely productive year thanks to this year's officers.

Row 1: K. Mabrey, S. Rothgeb, T. Johnson, K. Bibb. Not pictured: R. Hill. Row 2: S. Smith, C. Wright, K. Mooney, L. Nicklas, S. Bowers, E. Harvey, K. Hatter, C. Flippin, P. Ahalt, K. Bradshaw, B. Flippon, T. Wade, T. Thompson.

Quill and Scroll is not very active this year even though the club has grown in size. Quill and Scroll is a creative honor society. Students must have a B average and must actively participate in either Yearbook, Newspaper, or the Literary Magazine.

Row 1: C. Wright, J. Jones, S. Holland, L. Saunders, C. Flippin

This is the first year for a SADD chapter in NCHS. The participation for a SADD chapter for the first time here has been excellent.

Some of the activities they have done is make posters and posted them up over the county to warn everyone of the danger of drinking and driving. They have participated in project prom/graduation, brought a wrecked vehicle up to the school for graduation to ask students not to end their year that way, they have also put up posters around the school.

Row 1: A. Campbell, L. Nicklas, K. Morris, T. Watkins, S. Bowers, B. Kramar, Mrs. M. Giles. Row 2: J. Smith, D. Fortune, D. Nicks, K. Mooney, M. DuPlessis. Row 3: J. Ashley, M. Ward, P. Ahalt, A. Camden, T. Hudson, R. Johnson. Row 6: D. Martin, M. Johnson, S. Rothgeb, D. Duval, J. Hill, K. Wood, R.E. Turpin, J. Moxley, A. Taylor, C. Saunders

The National Honor Society is an organization that recognizes students in the area of scholarship, leadership, character and service. Juniors and seniors with a high scholastic average and excelling in leadership, character and service are eligible for membership.

The service project for this year is to obtain flags, Va. and U.S., from our Congressmen and Va. legislation to be placed in the gym.

The NHS is a strong supporter of the school academic team and several of its members are on the academic team this year.

Each year the NHS gives a $100 scholarship to a graduating senior who plans to further his or her education and exemplifies the characteristics of the NHS.

Spanish Club

With lots of enthusiasm and support, the Spanish Club exceeded with an excellent year! Some of the club's activities consisted of a canned food drive, the celebration of Spanish holidays, and the construction of a Spanish float which received a third place trophy in the Nelson County Christmas Parade. The meetings took place with the entertainment of guests speakers, movies, and wild games. With the club's sponsors, Mrs. Tucker, Mrs. Delk, and Mrs. Cooke, it was a year full of surprise for the Spanish Club.

French

The French Club may be small, but we are still active. Our club is decreasing in size because Spanish class, but not French class, has been opened to eighth graders. As a result most students who want to take five years of a language are taking Spanish. Activities at our meetings have included celebrating All-Saints Eve (Halloween) and receiving a visit from Pére Noël. French classes are in the process of creating a skit (in French of course) for a future meeting. The French club wishes you "Bonne Chance" for the summer and in the coming year.

Chorus/Pop Chorus/Keyboard

This 1986-1987 Choral year has been full of strong performances, and exciting trips. At the beginning of the '86 year the concert and pop chorus put on an extravaganza called "FLASH OF RHYTHM." It consisted of a variety of acts including singing, dancing and instrumental performances. Then, in May a trip to Chicago for national competition. They were able to see Chicago sights from Lake Michigan and were overjoyed to meet football star William "Refrigerator" Perry. The Chorus also made its annual performance at the high school baccalaureate.

The first performance of the new 86-87 Pop and Concert Choruses was at the Winter Christmas Choral Concert. This concert had a new twist; it contained contemporary styles of music and dance as well as more traditional songs.

In the fall, several pop and concert chorus, keyboard, and band seniors took an educational tour of Howard and Shenandoah Colleges. This experience was to introduce them to college life.

The Pop and Concert Choruses and Keyboard classes have many plans for activities this year. Among these is a trip for Chorus and Keyboard seniors to see the Broadway performance of the musical "CATS" in Baltimore. On the 28th of March they plan to put on another inventive extravaganza. This will include many interesting debut performances by freshmen members.

All in all, the chorus keeps busy but they love every minute of it.

Band

The Marching Governors, under the direction of Sheba C. Lawhorne, participated in various activities during the 1986-87 school year. Band members David Nicks, Maria Lee, Coltrane Gardner, Melissa White, and Kelly Floyd participated in the All-District Band. Some band members also participated in the Solo and Ensemble Festival which was held here at NCHS.

In the Fall, the Marching Governors brought home fourteen awards from events such as the Franklin County Invitational, Buena Vista Band Day, Covington Band Day, and the James Madison University Contest of Champions. Besides participating in various marching competitions, the band also participated in various parades across the state. Probably the most memorable of all parades was the Orange Bowl Parade.

The Marching Governors were selected to participate in the Orange Bowl Parade which was held in Orlando, Florida and televised nationwide. Only 18 bands from all across the United States were selected for this honor.

FBLA is a state and national organization designed to give business students an opportunity to learn more about business occupations. The club's sponsors this year were Shirley Wright, Clara Shelton, and Meroline Giles.

FBLA sponsored Christmas tree decorated by VICA classes with items appropriate to their courses. Mrs. Wright and Mrs. Shelton help FBLA students put finishing touches on gifts for needy children.

The FHA had various activities for the 1986-1987 school year. Guest speakers form the automobile Insurance, Magazines for Today's Home, Importance of Family in Society. They held a Christmas tea for the teachers and staff also held a wild-game feast with FFA. The club sponsored a Center-Piece Arrangements made in class by all Home Economics students.

COSMETOLOGY

Cosmetology is a student service which helps the community as well as the school. Cosmetology has many talents from cutting hair to applying make-up. The students in cosmetology eventually go take their state board in order to get their license to be a cosmetologist. The cosmetology teachers offers a block class in the morning and afternoon.

Row I. K. Ward, K. Pierson, J. Cruise, N. Patterson Row II. J. Long, F. Bryant, P. Wright, S. Snably, T. Carol, B. McLaren, M. Mays

The Nelson Sr. chapter of Future Farmers of America has sponsored several events and participated in many contests throughout the year.

During the State Fair, the crops judging team placed first in statewide competition. Team members included state high scorer Marlo Allen, Beth Ginter, Kenny Shelton, and Crystal Allen.

In November, Beth Ginter, Marlo Allen and John Cash went to Kansas City, Missouri to attend the National Convention and to be recognized with a national award.

The FFA sponsored a canned food drive and challenged all other clubs or organizations to collect more cans than the FFA. All of the food was distributed to needy people in the county.

In other holiday events, the FFA wrapped gifts for people in the county and organized a trip for members to visit Johnson Senior Center in Lovingston.

Currently, the FFA is involved in a program to decrease soil erosion along river banks of the county. They cut willow laps and planted them. The strong root system of these willow laps prevent erosion.

The FFA has also participated in Forestry Judging, Tractor Driving, and Livestock Judging contests.

Food contributed and collected by high school students for needy families at Christmas; sponsored by FFA.

Mays, A. Fitzgerald, C. Davis

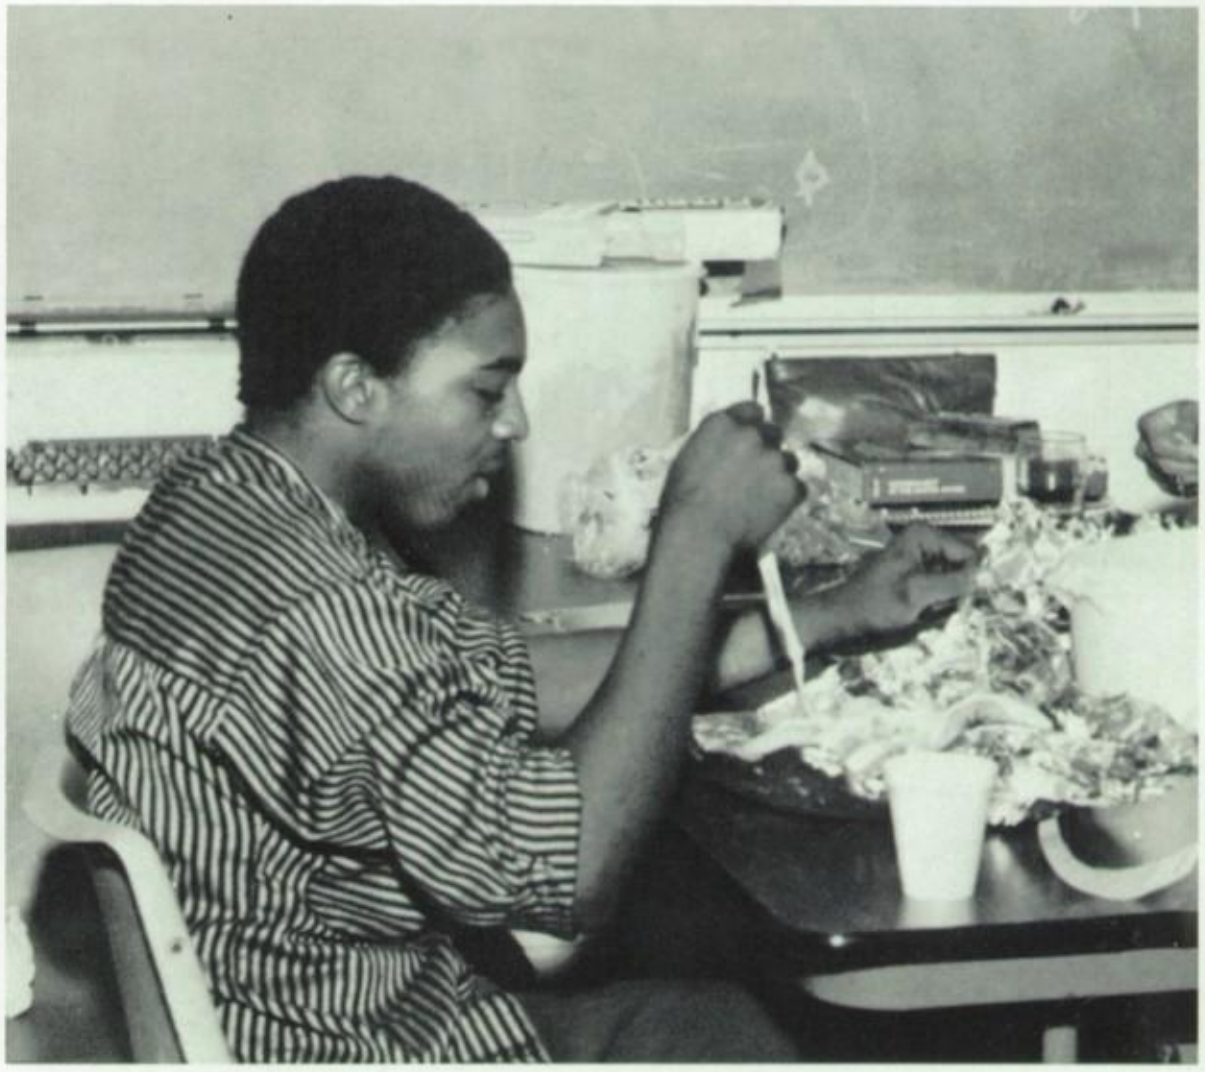
HERO/ HOSA

HOME ECONOMICS RELATED OCCUPATIONS

The Nelson County High School Chapter of Hero consists of members that are enrolled in occupational food services. These students take a 2 year block program. In their junior year the class is 2 periods and 3 periods in their senior year. The Governor's Hideway is a public restaurant operated by the students; open to the public about 90 school days a year for lunch. The class caters many school functions such as the prom, picnics, and banquets.

Food Service II students compete in Culinary Acts competition held in the area and at the state level. The main goal of HERO is to assist the student in becoming a dependable, well trained employee and to gain life management skills, both of which will be of great help following graduation.



Row 1: L. Turner, M. Moss, L. Jones, S. Thompson, D. Thompson. Row 2: Teacher: J. Mays, M. Jones, P. Coleman, A. Jones, A. Kidd, L. Turner, M. Murphy, S. Johnson, B. Allen. Row 3: E. Allen, V. Paige, K. Burns, V. Paige, B. Revely, G. Crawford

HOSA

HOSA is a student organization that exclusively serves health occupation education. It is an intergrade part of the HOE instructional program.

Its purpose is to develop leadership skills, build self-confidence and pride in one's work, and to develop responsible citizenship traits.

Its mission is to enhance the delivery of quality health care to all Americans.

Row 1: D. Camdan, D. Crawford, S. Penn, C. Wright. Row 2: B. Pippen, S. Coss, D. Londeree, L. Floyd. Row 3: R. Allen, D. Bushrod, R. Critzer, B. Hudson, Mrs. M. Eggleston

Building Trades/Auto Mechanics

The senior and junior Building Trades classes, assisted by the guidance of their instructor Mr. Coyner, undertook the challenge of building a spec. home; consisting of a living area, kitchen, 2 full baths and three bedrooms.

In addition to building the house the classes found time to work on various projects such as storage sheds and storage cabinets for the athletic dept. and library. The officers for the classes are Presidnet: Jeff Bailey, Reporter: Mark Wyant, Treasurer: Frank Cox

Row 1: J. Bailey, F. Cox, M. Wyant. Row 2: D. Carter, L. Hudson, M. Briggs, J. Smith, G. Fisher. Row 3: Mr. Conner, J. Tinell, A. Dowell, J. Sipe, A. Goodwin. Row 4: H. Campbell, S. Peters, J. Fisher

AUTO MECHANICS

Row 1: W. Miles, T. Lawhorne, J. Synder, J. Neese, K. Campbell, K. Coffey. Row 2: K. Tolbert, B. Morris, A. Ragland, S. Washington, B. Revely. Row 3: W. Thompson, L. Beverly, R. Beverly. Row 4: M. Goldstein, W. Hatter, L. Allen, J. Coffey, D. Campbell, J. Cabell, K. Martin. Row 5: M. Grey, J. Rodgers, J. Fitzgerald, J. Harvey, D. Wilson

The Auto class is only one of many classes found in the vocational wing. This class isn't as easy as most people think. It challenges you to use your mind and to make new ideas. For instance some of the stuff we learn to do is how to read electrical diagrams and rebuild motors and change tires and just about anything you can think of that deals with a car.

This class is also a 2 year course which gets harder as you move up. You get 3 credits for the first year and 3 the last, so in all it is a 6 credit course.

The VICA club is another part of the auto class in which the money we charge for working on automobiles is kept in this fund to help buy new tools and to replace broken ones. But it also pays for the trip we take and the Christmas dinner we have every year.
